DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. Claim 1, applicant's invention combination including: "a thin connector comprising: a first housing including a longitudinal biasing plate, the insulator being flat and rectangular and defining a plurality of grooves therein for latching the cable connecting arms respectively extending and bending from opposite sides of the first shell, a latching tongue extending and bending from the first shell and bending from the first shell and between the connecting arms" is not by Tan or suggested by other prior art of record.
4. Tan discloses an assembly similar in some aspects to the claim 1 invention but does not teach use of a "longitudinal biasing plate" and "latching tongue" features in the relationship as recited in claim 1. Nor would it have been obvious to modify the Tan device include such as features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
